Pretty Little Miss

Patty Loveless

(Emory Gordy, Jr./Patty Loveless)Shady Grove, pretty little miss Shady Grove, my darlin'

Shady Grove, pretty little miss

Goin' back to HarlanWell the boys all call me "Pretty Little Miss"

It don't ever phase me

But every time he call my name

It nearly drives me crazyShady Grove, pretty little miss

Shady Grove, my darlin'

Shady Grove, pretty little miss

Goin' back to HarlanMama says he's not my type

He really loves another

But he's gonna marry me

When I turn twelve this summerShady Grove, pretty little miss

Shady Grove, my darlin'

Shady Grove, pretty little miss

Goin' back to HarlanWell, paint and powder, curled my hair

The day he came a callin'

He ran off with my older sis

And I commenced to squallin'Shady Grove, pretty little miss

Shady Grove, my darlin'

Shady Grove, pretty little miss

Goin' back to HarlanOh spring has sprung, summer's gone

Fall is quickly fadin'

Guess I'll spend my winter months

A sad and lonley maidenShady Grove, pretty little miss

Shady Grove, my darlin'

Shady Grove, pretty little miss

Goin' back to Harlan
