Derail

Dinosaur Pile-Up

I'll be your train wreck
now watch me derail
Just look around I'm an avalanche ready to crumble
a burning horse out of control
A sky-rise that's tumbling down in flames from heavenCos you
Yeah you
Are only gonna bring me down
And I know you
Yeah you
You're only gonna make my plans derail
Derail
I'm your volcano now watch me explode
Yeah take a ride
I'm an accident waiting to happen
How tribes said 'look after yourself'
Guess I'll try I promise
But trying is wasted upon me
Sorry
Cos you
Yeah you
Are only gonna bring me down
And I know you
Yeah you
You're only gonna make my plans derail
Derail
