Waiting For Forever

Delta Goodrem

Eh eh, eh eh, eh eh
A shadow box in with a trick of light
A day that disappears into the night
Wings of gold that shattered into dust
To understand what?s in your hands is not enough
Ah ah ah ah
Ah ah ah ah
Why don?t you stop?
Waiting for forever
Forever might never come
Why don?t you stop?
Waiting for forever
Living like it?s logical
?Cause the now, the now is the only time that matters
Come on, stop, stop
Waiting for forever
Oh oh oh oh
Forever might never come
Eh eh, eh eh, eh eh
Forever might never come
Eh eh, eh eh, eh eh
The moment we decide to let it go
The future is the one without control
Illusions of what love?s supposed to be
Can pull you in and feed the insecurity
Ah ah, oh oh oh oh
Oh oh oh oh
Why don?t you stop?
Waiting for forever
Forever might never come
Why don?t you stop?
Waiting for forever

Living like it?s logical
?Cause the now, the now is the only time that matters
Come on, stop, stop
Waiting for forever
Oh oh oh oh
Forever might never come

Eh eh, eh eh, eh eh
Forever might never come
Forever might never come
(Eh eh, eh eh, eh eh)
Oh oh oh
You want it all, everything
You want it for free
And if you want to be everything you said you?d be
Why don?t you stop?
Waiting for forever
Forever might never come
Why don?t you stop?
Waiting for forever
Living like it?s logical
Why don?t you stop?
Waiting for forever
Forever might never come
Why don?t you stop?
Waiting for forever
Living like it?s logical
?Cause the now, the now is the only time that matters
Come on, stop, stop
Waiting for forever
Oh oh oh oh
Forever might never come
Eh eh, eh eh, eh eh
