

# Save

## Plazma

I'm not feelin' touch  
I'm not makin' that much  
And I guess I am blessed  
But sometimes it's just hard to see it as such  
I'm stuck here alone in the traffic lines  
While couples in love in the HOV fly by  
I don't get it, I'm not askin' for much  
But everybody wants to just have somethin'  
So I'll be pickin' me up, breakin' me down  
I was lost, was I found?  
I wanna feel everything  
When everything feels wrong with me  
Take a look, embrace myself  
Everybody wants to make it count  
Save me, 'cause I can never float sinkin'  
Amaze me and I would be there holdin' on for life  
Sit in there and gas it in, time to strap apartment  
The walls are blank, it's like they're talkin' to me  
I put a picture on the wall, I took a chance, I took a fall  
She took up fast and gracefully, yes, I was blind and now I see  
And I was pickin' me up, breakin' me down  
I was lost, was I found?  
I wanna feel everything  
When everything feels wrong with me  
Take a look, embrace myself  
Everybody wants to make it count  
Save me, 'cause I can never float sinkin'  
Amaze me and I would be there holdin' on for life  
And I could tell, from the picture I could feel  
I was sinkin', throw me out, bring me back to life  
The colors that my eyes had never seen  
Well, I can see it now  
Save me, 'cause I can never float sinkin'  
Amaze me and I would be there holdin' on for life  
Save me, 'cause I can never float sinkin'  
Amaze me and I would be there holdin' on for life  
So save me, save  
Save me, save me
