

It's Just You

LMNT

You can do the things
That can't be done
You can win the fights
That can't be won
When you're on a mission
You see it through
'Cuz this savin' the world thing
Is what you do That's the way it has to be
It just comes so naturally [Chorus]
It's just you
Doin' the impossible, it's you
You're practically unstoppable, it's you
You're totally untoppable
It's you, it's you, it's you
You're Kim Possible When the Earth's in trouble
And we're in distress
We can call you, beep you,
Send an S.O.S.
The situation is on
You never say maybe
From here on out it's
Grab you, baby That's the way it has to be
It just comes so naturally [Chorus] It's not a secret or a sign,
It's not the way the stars are lined
It's just exactly what is true
Not a superhero, it's just you [Chorus] It's you
Doin' the impossible
Practically unstoppable
You're totally untoppable
It's you, oh it's you
