Up & Down

Eddy Huntington

Life is a game
nothing's ever the sameNo matter how much you can try.
Everything's fine when you have a good timeBut minutes later you could cry.Up and down
I'm always feeling unstableYou seem to be changing my mood.
Up and down
it's like I'm hung on a cableOne minute I'm flying
one minute I'm falling.
Up and down I go like an elevator
down on to the top.
Up and down I know I'll be now and later'Cause my love won't stop.I know it's true since the day I met youMy life has never been the same.
Feeling alive since you gave me the driveI'm like a candle
you are the flame.Up and down
I'm always feeling unstable
. . .
Up and down
I'm always feeling unstable
. . .Up and down I go like an elevator
down on to the top.
Up and down I know I'll be now and later'Cause my love won't stop.
