Make Everyone Happy-Mechanical Birds

[Modest Mouse](#)

And I said, "You shouldn't make facts out of opinions"
He said that I was right, you're right I knew, that I was
And I'd hate to see anybody thank you
But I'd like to see you fail saying thank youThough I'm not sure who I am
I'm not sure who I am but I know who I've beenAnd I said, "You can't make everybody happy"
He said, "You'd like to at least make yourself happy"
Though I'm not sure who I am
I'm not sure who I am but I know who I've been
