Borderline (feat. Shelly Poole)

Michael Gray

It's gonna be another lonely night
One more and I'm gonna die
Wired out waiting for the sign
'Cause you're a risk and I'm borderlineAll I know is I've been sitting
With this fire and it burns inside
Man if you want me to walk your line
Then don't stop at eight, no let's take itTo the nine's
I know that we should lay out and love
Because man, I really need itTo the nine's
I may be full but it's not enough
Come and show me how to feel itIt's gonna be another lonely night
One more and I'm gonna die
Wired out waiting for the sign
'Cause you're a risk and I'm borderlineAll or nothing, you know that's how I play
The game and I'm ready now
Man if you want me, come cross the line and
Slide up to eight, then let's take itTo the nine's
I know that we should lay out and love
Because man, I really need itTo the nine's
I may be full but it's not enough
Come and show me how to feel itIt's gonna be another lonely night
One more and I'm gonna die
Wired out waiting for the sign
'Cause you're a risk and I'm borderline
