

Searching For Sluggo

Vision

Looking for a friend from years ago
He used to come with us to every show
Always had the time to hang with us
We knew he was someone we could trust Where has he gone, where has he been
I just can't stop wondering I would dive in the crowd, and he would pull me out
If the club wouldn't pay, he'd scream and shout
Making sure we were at the shows on time
If you came late, you were left behind Where has he gone, where has he been
I just can't stop wondering
