Nobody

Athena Cage

I want to tease you
I want to please you
I want to show you, baby
That I need youI want your body
'Till the very last drop
I want you to holler
When you want me to stopAnd who can love you like me? Nobody
Who can sex you like me? Nobody
Who can treat you like me now, baby? Nobody
Nobody baby, nobodyAnd who can do it like me? Nobody
And who can give you what you need? Nobody
Who can do you all night long? Nobody
Nobody baby, nobodyI want the night
For me and you
So come here, baby
And let me do it to youDon't be afraid
'Cuz I won't bite
I promise to give it to you
Just the way you likeAnd who can love you like me? Nobody
Who can sex you like me? Nobody
Who can lay your body down? Nobody
Nobody baby, nobodyAnd who can treat you like me? Nobody
Who can give you what you need? Nobody
And who can do you all night long? Nobody
Nobody baby, nobodyAnd the band keeps playing on
On on on and on on
On on on and on on
On on on and on on
Nobody babyCome on
On on on and on on
On on on and on on
On on on and on on
Nobody babyI want you right now for my lover
Oh yes I do
Place no one above you
Oh yes I doIf you need love
I'll be right there
I'll be right there, baby
I'll come ridin' on air

Oh yes I will
Oh yes I will
Oh yes I will babyAnd who will love you like me, baby? Nobody
Who can sex your body like me, baby? Nobody
Who can do it like me, baby? Nobody
No no no, nobody
Who can lay you down just like me? Nobody
Who can kiss you all over your body, baby? NobodyNobody
Nobody
Nobody
