

Death of a King

Amorphis

When the dawn is bright and new
And the day is full of hope
It's easy to continue your journey
Like a king on his royal way You will stand there amidst silence
In the void of endless winter
On the ice of an unknown lake
In the heart of loneliness There you will meet yourself
There you'll weigh your crown
On the ice of the lake of death
On the mirror of time There you will meet yourself
There you'll weigh your crown
On the ice of the lake of death
On the shiny mirror of time When the days are getting colder
And the winds clash against each other
When light is getting dimmer
And darkness shrouds the roads You will drift into strange byways
Lost in foreign lands
Stranded on frigid shores
On a godless desolate plain There you will meet yourself
There you'll weigh your crown
On the ice of the lake of death
On the mirror of time It's there where your endeavour ends
On the face of a forlorn lake
Under weight of a timeless sky
It is there where you shall die There you will meet yourself
There you'll weigh your crown
On the ice of the lake of death
On the mirror of time There you will meet yourself
There you'll weigh your crown
On the ice of the lake of death
On the shiny mirror of time Death of the king
