

# Memories of You

Elana James

Waking skies at sunrise  
Every sunset too  
Seems to be bringing me  
Memories of youHere and there, every where  
Scenes that we once knew  
And they all just recall  
Memories of youHow I wish I could forget those  
Those happy yesteryears  
That have left a rosary of tearsYour face beams in my dreams  
Spite of all that I do  
Everything seems to bring  
Memories of youWaking skies at sunrise  
Every sunset too  
Seems to be bringing me  
Memories of youHere and there, every where  
Scenes that we once knew  
And they all just recall  
Memories of youHow I wish I could forget those  
Those happy yesteryears  
That have left a rosary of tearsYour face beams in my dreams  
Spite of all that I do  
Everything seems to bring  
Memories of you
