

She Don't Like The Lights

Justin Bieber

She don't like the flash, wanna keep us in the dark
She don't like the fame, baby when we're miles apart
And she getting to the point where it's too much for
And she wanna throw us all away, it's too much for
She can't hide away cause the world knows who we are

She don't like the lights
She don't, she don't, she don't
She don't like the lights
She don't, she don't, she don't

Don't wanna share no one else, want me for herself
Don't want no love in front of the camera

She don't like the lights
She don't, she don't, she don't
She don't like the lights

She's giving ultimatums, she don't like this live
She said if I loved her, I'd give it up won't think twice
I can't do that
And it's getting to the point where it's too much for
Wanna throw it all away, cause it's too much for
She don't wanna live this life, damn, it's my life too

She don't like the lights
She don't, she don't, she don't
She don't like the lights
She don't, she don't, she don't

Don't wanna share no one else, want me to herself
Don't want no love in front of the camera

She don't like the lights
She don't, she don't, she don't
She don't like the lights

Why can I choose between the two
One of the nights I'll run right now
I wish she could see, how good this can be

I hope she waits a little bit longer
Cause I don't wanna live life, without her by my side
Cause she gets the light that is in me
But she don't know, she don't know

She don't like the lights
She don't like the lights
She don't, she don't, she don't
She don't like the lights
She don't, she don't, she don't
She don't like the lights
