

Aikea-guinea

Cocteau Twins

When he pushes away
Like he's gonna have to make me
He gladdens When he pushes away
Like he's gonna have to make me
He gladdens Oh, please, please
When he pushes away
Like he's gonna have to make me
Hehe, hehe, hehe It's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from him It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from him Oh, please, please
It's so good to have a man
It's so good to have him, check him out
At night Oh, please, please
It's so good to have a man
It's so good to have him, check him out When he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from him It's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from him When he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from him It's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from him Oh, please, please
When he pushes her back
Like he's gonna have to make me
Please, please It's so good to have a man
It's so good to have him, check him out
My love
