For The First Time

Rod Stewart

Are those your eyes? Is that your smile?
I've been looking at you forever, yet I never saw you before
Are these your hands holding mine?
Now I wonder how I could have been so blindAnd for the first time I am looking in your eyes
For the first time I'm seeing who you are
I can't believe how much I see
When you're looking back at me
Now I understand what love is, love is
For the first time, oh yeahCan this be real? Can this be true?
Am I the person I was this morning? And are you the same you?
It's all so strange, how can it be?
All along this love was right in front of meAnd for the first time I am looking in your eyes
For the first time I'm seeing who you are
I can't believe how much I see
When you're looking back at me
Now I understand what love is, love is
For the first timeSuch a long time ago I had given up
On finding this emotion ever again
But you're here with me now
Yes I found you somehow
And I've never been so sureAnd for the first time I am looking in your eyes
For the first time I'm seeing who you are
Can't believe how much I see
When you're looking back at me
Now I understand what love is, love is
For the first time, for the first time
