

Talk Over Me

Summer Cannibals

I'm not gonna let you walk me home at night
and I'm not gonna wait around while you pick a fight
It's not just how you look at me
It's everything, it's nothing
it's the way you order drinks
and say exactly what you think I'm not a bitch, it's just preference
I'd rather not be harassed
I'm not a bitch, it's just preference
I'd rather not be harassed
It's not what you think
It's not what you say, oh
Just to be the same
and leave as fast as you came
I'm not gonna let you talk over me one more time
I'm not gonna wait for someone else to say I'm right
It's not just how you look at me
It's everything, it's nothing
it's the way you stare
the way you need
the way you stand in front of me
the way you stand in front of me the way you stare
the way you need
the way you stand in front of me
I need you to move
I need you to leave the way you stare
the way you need
the way you stand in front of me
I need you to move
I need you to leave
I'm not a bitch, it's just preference
I'd rather not be harassed
I'm not a bitch, it's just preference
I'd rather not be harassed
It's not what you think
It's not what you say, oh
Just to be the same
and leave as fast as you came
