Tell Me A Story

Hilary Duff

Yo Hilary, its Romeo and you know what?
We're gonna make em' dance this Christmas
Left, right now shake what? What you want?
Yo what you want?
Tell me, tell me, tell me a story
I believe, oh I believe
All things are possible on Christmas Eve
Okay, okay
It was a night before Christmas and all through the house
Not a creature was stirring not even a mouse
The stockin's was hung by the chimney with care
With hopes that St. Nick soon would be there
Me and my sisters and brothers gettin' ready for bed
Can't wait to get toys for all the break bread
Mom's in P. Miller jammies and pop's silk
Santa Claus comin' eatin' cookies and milk, okay
Tell me a story
I believe, oh I believe
All things are possible on Christmas Eve
(Wish for it, you just might get it, okay)
Every time I hear that rhyme I love it even more
Tell me a story about the night before
Now could it be a dream I think I heard noise
Jumped out of bed and It's the no limit boys
I ran to the window creak, creak
Bright red shinin' the new Humvee
Snow in the south, hmm that's kinda silly
Is it Santa Claus or is it my Uncle Willy?
Now here we play games but this one feels weird
When I see eight shiny reindeer
'Bout to come and get me, come on
(Tell, tell me a story)
Okay, you wanna know check it out
Now Santa called them by names
Dasher, Dancer, Prancer and they all came
Vixen, Comet, Cupid eyes droopin
Low ears they look's like they snoopin'
Can't forget Donner and Blitz
Three King's they was carryin' the gifts, yeah

T-t-tell me a story
I believe, oh I believe
All things are possible on Christmas Eve
(Wish for it, you just might get it, okay)
Every time I hear that rhyme I love it even more
Tell me a story about the night before
(Wish for it, you just might get it)
I couldn't believe they were flyin' so high
To the moon and the stars and the lonely sky
They went up and around and sung as they flew
With the sleigh and the toys and Saint Nicholas too
Yo it ain't about the gifts but I'm glad Santa came
Thanks for the video games and the bling bling
My lil' sisters got bikes an trains
I'm just glad for the love you bring
So you better not shout, you better not pout
Yall know what I'm talkin' about
Merry Christmas to all and have a good night
Yo Hilary bring the chorus in right
Tell me a story
Tell me a story
(Wish for it, you just might get it)
Wish for it, you just might get it, okay
T-t-tell me a story
I believe, oh I believe
All things are possible on Christmas Eve
(Wish for it, you just might get it)
Every time I hear that rhyme I love it even more
Tell me a story about the night before
(Wish for it, you just might get it, okay)
Tell me a story
T-t-tell me a story
