

Bodyrock (feat. Darrein)

Stevie Stone

your body be hypnotizing you see me high
and i don't wanna wait another day another minute
cause once im in it you can't deny
yea im having visions its me and you in all the positions
write your number downsee girl i see you watching me
but you don't wanna seem easy
said baby get on top of me
i promise ima make it easy
there no need to be shy baby
cause im gonna do it all for you
just come a little closer baby
tell me what cha tryin to doima make your body rock X8baddest girl in the club
you got em all trippin
said baby take your clothes off
and let me see what i've been missin
shorty your so fine im gonna do it all for you
my cars waiting outside baby tell me what your trying to doIma make your body rock X8I be your main thrill
give it your best shot
its mandatory im coming to make your body rock
but baby got sex appeal open pandoras box
its no props when ladies shiverin panties drop
she on top this women here paitent been waitin
shes a freak tho she fucked me with a cators
this ain't a peep show cause we grown aint we
but body rockin to babyface like we 80's babyies
we start the pullin and tuggin the body goin crazy
turn your phone off and stick to fuck faces
you got the whoop appeal so we be love making
your body showin off bend the back breakin
im gonna sprawl you out matching making
big shaking no time waiting
ima have you screamin out my name
n if i curve im gonna learn with your brain
have your body rockkima make your body rock X8
