

# I Wouldn't Mind

## Suicidal Tendencies

I wouldn't mind  
I wouldn't mind Every messed up feeling has its day  
Every screwed up person gets revenge  
Every jacked up moment will come back  
Every twisted thought will have its shot I wouldn't mind seeing you shaken with fear  
I wouldn't mind hear you scream in pain I wouldn't mind see you  
I wouldn't mind see you  
I wouldn't mind seein' you I wouldn't mind see you shakin' from fear  
I wouldn't mind see you scream in pain  
I wouldn't mind hear you cry like a baby  
I wouldn't mind hear you beggin' for your life Makes me feel the joy rise through my soul  
Makes me think that there's hope after all  
Makes me wanna shout and jump for joy  
Makes me feel the purpose after all I wouldn't mind see you shakin' with fear  
I wouldn't mind see you scream in pain I wouldn't mind seein' you  
I wouldn't mind seein' you dead I wouldn't mind  
I wouldn't mind I wouldn't mind see blood squirting from your veins  
I wouldn't mind hear you beggin' for your life I wouldn't mind seein' you  
I wouldn't mind seein' you dead  
I wouldn't mind seein' you  
I wouldn't mind seein' you dead  
I wouldn't mind seein' you  
I wouldn't mind seein' you  
I wouldn't mind seein' you dead  
I wouldn't mind seein' you  
I wouldn't mind seein' you dead
