

Damone

American Supermodel

Verse

Yes it's true, I've been crying
Once again there's a dark cloud over my head
As you're leaving me for him
If only I could be half as smooth and convincing
I never would have let you go
Don't you know I can be cool, oh cool likeChorus
Damone is not your friend
No matter what you do
I'll be here waiting, waiting for you
Though my feelings may not show
And I may not be cool
I will be there when he's not, yeah Damone is such a fool when he says...Verse
That he loves you
Well no one loves you like I do
When he breaks you into two
I'll be here, I'm not cool likeChorusBridge
There in the pool house
Up on the bench you gave him his way
And when it was over
He broke your heartCause he's cool like DamoneChorus (x2)
