# Ashamed

## Simon Webbe

Is there something wrong tonight
Or am I being paranoid?
I guess I might have had
A little too much to drinkI wonder who she's talking to
'Cos I'm about to act the fool
I smell something cooking
And I don't know what to thinkWhat's going on? I don't know whose right or wrong
Yeah, tell me babe, it looks like you've been crying
What did he say before he walked away?
Maybe I was outta line thinking you
Were flirting with another guyI realize that we all can make mistakes
And I'll do whatever it takes, babe
You know I'd do anything for youI don't know if I could stand the pain
If you'd taken your love away, babe
If you asked me now I guess I feel
Ashamed, ashamed, ashamed, ashamedI didn't mean to cause a fight
Cross my heart and hope to die
I guess I'm terrified
Of the thought of losing youYou say he's just a friend
But I don't think it's true
Once upon a time
It would never have crossed my mindWhat's going on? I don't know whose right or wrong
Yeah, tell me babe, hope you're not lying
What did he say before he walked away?
Maybe I was outta line thinking you
Were flirting with another guyI realize that we all can make mistakes
And I'll do whatever it takes, babe
You know I'd do anything for youI don't know if I could stand the pain
If you'd taken your love away, babe
If you asked me now I guess I feel
Ashamed, ashamed, ashamed, ashamed
Ashamed, ashamed, ashamedI realize that we all can make mistakes
And I'll do whatever it takes, babe
You know I'd do anything for youI don't know if I could stand the pain
If you'd taken your love away, babe
If you asked me now I guess I feel
AshamedI realize that we all can make mistakes
And I'll do whatever it takes, babe
You know I'd do anything for youI don't know if I could stand the pain

If you'd taken your love away, babe
If you asked me now I guess I feel
Ashamed
