

# Now That You Got Me Where You Want Me

## The Partridge Family

Now that you got me, where you want me  
You don't want me, like I want you  
Now I want you, I can't have you  
I can't have you, like I want you Every day, every night  
You were there  
I didn't treat you right Now you got me where you want me  
You decided, you don't want me  
Once I had you but I treated you wrong  
Now I've waited too long and now your love is gone Now you got me where you want me  
Is it too late for you to want me? Once I had you, I didn't want you  
Now I want you, I can't have you  
Once you loved me, I didn't want you  
Now I love you, you don't want me Every day, every night  
You were there  
I didn't treat you right I was some place else, left you by yourself  
Now I'm here for you, if you want me, too Now you got me where you want me  
You decided, you don't want me  
Once I had you but I treated you wrong  
Now I've waited too long and now your love is gone Now you got me where you want me  
Is it too late for you to want me?  
Once I had you but I treated you wrong  
Now I've waited too long
