## Casting Crowns

living on my own, thinking for myself  
castles in the sand, temporary will  
walls are falling down  
the stones are closing in  
tears are filling my eyes  
here i am again

chorus:

and i've held out as long as i can  
now i'm letting go and holding out my hand  
Daddy here i am again  
will you take me back tonight  
i went and made the world my friend  
and it left me high and dry  
i've dragged your name back through the mud  
that you first found me in  
I'm not worthy to be called your son  
is this to be my end  
Daddy here i am  
here i am again

curse this morning sun  
drags me into one more day  
I've rebeen what I've sung  
I'm living with my shame  
welcome to my world  
and the life that I have made  
one day your a prince  
the next day your a slave

chorus: x2
