a little respect

rick asley

I tried to discover a little something to make me sweeter
Oh baby refrain from breaking my heart
I'm so in love with you, I'll be forever blue
That you give me no reason, you know you're making me work so hard
That you give me no soul, I hear you calling
Oh baby please give a little respect to me
And if I should falter, would you open your arms out to me?
We can make love not war, and live with peace in our hearts
I'm so in love with you, I'll be forever blue
What religion or reason could drive a man to forsake his lover?
Don't you tell me no soul, I hear you calling
Oh baby please, give a little respect to me
I'm so in love with you, I'll be forever blue
That you give me no reason
You know you're making me work so hard
That you give me no soul, I hear you calling
Oh baby, please give a little respect to me
Oh baby, please give a little respect to me
