Mild Eyes

Hallucinate
Desegregate
Mediate
Alleviate Try not to hate
Love your mate
Don't suffocate
On your own hate Designate
You love as fate
A one world state
As human freight The number eight
A white black state
A gentle trait
The broken crate A heavy weight
Or just too late
Like pretty Kate
Has sex ornate Now devastate
Appreciate
Depreciate
Fabricate Emulate
The truth dilate
Special date
The animal we ate Guilt debate
The edge serrate
A better rate
The youth irate Deliberate
Fascinate
Deviate
Reinstate Liberate
Too moderate
Recreate
Or detonate Annihilate
Atomic fate
Mediate
Clear the slate Activate
Now radiate
A perfect state
Food on plate Gravitare
The earth's own weight
Designate

Your love as fateAt ninety-eight
