

Looking for a Dream

Nick Cannon

Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
In my head
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
In my headPulled up in a Cadillac
Yea my old life, mama they can have it back
We tearin up the club, can you handle that?
With a beat like that from Afrojack
Yea, he the man, battle cat
Keep it old school, mama do the cabbage patch
Whap, drop, shake that ass
Then put em on a glass while I throw this cashIf you getting money put yo hands up high ah ah
It's falling from the ceiling, yea the feeling's fly
I see the things and I'm gon get it til it's mine
It's my dream, I'm gon live it up tonightOh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
In my head
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
In my headMy life is so amazing
All this money, all these ladies
Long as I got my baby
I say long as I got my baby
Baby, babyIf you getting money put yo hands up high ah ah

It's falling from the ceiling, yea the feeling's fly
I see the things and I'm gon get it til it's mine
It's my dream, I'm gon live it up tonight Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
In my head
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
Oh oh oh
I must be lookin for a dream
In my head
