## **BareNaked**

## **Jennifer Love Hewitt**

Do you ever have that dream Where you're walkin' naked down the street

And everyone just stares?

Do you ever feel so deep

That you speak your mind

To put others straight to sleep?

You wonder if anybody caresSometimes I think, I'm the only one

Whose day turned out unlike it had begunAnd I feel bare naked

And I just can't take it

I'm getting jaded

No I just can't fake it anymore

'Cuz I'm bare naked

And I know life's what you make it

Wish I could float away

To some other dayYou ever go downstairs to start your day

But your car's not there

Yeah, you know the joke's on you

You ever try your luck

With a pickup line

But you just sucked

You tell yourself it wasn't youAnd I know, it's hard to hold it inside

It's days like these, I run and hideWhen I feel bare naked

And I just can't take it

I'm getting jaded

No I just can't fake it anymore

'Cuz I'm bare naked

And I know life's what you make it

Wish I could float away

To some other dayIt's all a state of mind

But I don't mind tryin' to find a way

To keep my head above the mess I make

What the world creates

Sometimes it feels so good to let it all fall

As the world fall, I may fall, we all may fall

And then the world comes tumbling

Down, down, down, downBare naked

And I just can't take it

I'm getting jaded

No I just can't fake it anymore

'Cuz I'm bare naked
And I know life's what you make it
Wish I could float away
To some other dayWhen I feel
(Bare naked)
I feel, feel
(Bare naked)
When I feel
No no no no
(Bare naked)
(Bare naked)
