

Learning to Fly

The Weepies

Well I started out down a dirty road, started out all alone
And the sun went down as I crossed the hill
And the town lit up and the world got still

I ain't learning to fly but I ain't got wings
Coming down is the hardest thing

Now the good old days may not return, and the rocks may melt and the sea may burn
I ain't learning to fly but I ain't got wings, coming down is the hardest thing

Some say life will beat you down, break your heart, steal your crown
So I started out for god knows where I guess I'll know when I get there

I ain't learning to fly around the clouds
What goes up must come down.
I ain't learning to fly but I ain't got wings
Coming down is the hardest thing
