

# God Delivers Again

## Ernie Haase & Signature Sound

1: Standing there at the Red Sea God's people began to complain.

Soon Pharaoh and his mighty army will take us in bondage again.

Stand still and see the salvation of the Lord Moses cried, then God parted the waters and they crossed to the other side.

2 We'll never bow to your idols the three Hebrew children proclaimed.

So the king gave the command to throw them into the flame.

The king said did we not cast three men into the furnace bound, but I see four men loosed in the fire unhurt and they're walking around.

God delivers again, oh my God delivers again.

Just when things look hopeless, He reaches out his hand.

Then all the forces of evil have to flee at His command.

Just when things look hopeless, my God delivers again!
