

Stand

Britt Nicole

I wake up to another day
I don't know if I can face
All the fears, that is tearing me down
Yea, I'm trying to be brave
But I'm afraid, about to fade
I wanna stand but I don't know how I look up and all I see is Your love holding me
When I feel like giving up
When my heart is hurt too much
Feels like I've reached the end
No, I won't turn and run
This battle will be won
When I've done all I can
I stand stand stand
I stand stand stand Some days I lose my place
It's a fight to keep my faith
But You are with me, I am not alone, no
But all around my work is late
Toss like an ocean wave
You are my rock and the storm clouds blow I look up and all I see is Your love holding me
When I feel like giving up
When my heart is hurt too much
Feels like I've reached the end
No, I won't turn and run
This battle will be won
When I've done all I can
I stand stand stand
I stand stand stand On Your promise, I will stand
All other ground is sinking sand
On Your promise, I will stand
All other ground is sinking sand
Sinking sand oh who wooh
It's sinking sinking, yea ye When I feel like giving up
When my heart is hurt too much
Feels like I've reached the end
No, I won't turn and run
This battle will be won, yea yea
So I'll stand stand stand
I stand stand
I'll stand stand stand
