

Cracked

Eleni Mandell

I'm cracked for you
My soul has been twisted
I'm cracked for you
My heart has been blistered I just want to forget
And lead a peaceful existence
I just want to forget
There are riches to be found in ignorance You gave up love
You say you have to resist it
You gave up God
I saw the evidence in the pictures I just want to forget
And lead a peaceful existence
I just want to forget
There are riches to be found in ignorance I'm cracked for you
My fog has been lifted
I'm cracked for you
My continents have drifted I just want to forget
And lead a peaceful existence
I just want to forget
There are riches to be found in ignorance When we lay front to back
How instantly familiar
It's just the way I am
I've already seen, already been Cracked for you
My soul has been twisted
I'm cracked for you
My heart has been blistered I just want to forget
I just want to forget
There are riches to be found in ignorance
