

Destroy Before Reading

The Jesus Lizard

I'd soak a towel
Like a satellite
Tight...tight...tight
Norelco proctor silex
Hamilton beach
Cook up some loving for ya baby
Electric blanket
Keep the toes and the nose warm
I'd soak a towel like a satellite
Tight...tight...tightI found my paddle
I found my paddle around
Midnight
I found my paddle
I found my paddle around
Midnight
Cry baby show off
Makes good...so proud
Mingus and Parker fuck for breakfast
Cause jazz is a slut again
I'd soak a towel
Like a satellite
Tight...tight...tightI found my paddle
I found my paddle around
Midnight
I found my paddle
I found my paddle around
MidnightDo one
etc...
