Bigger God

Hellyeah

Itâ€™s truly false, and it sets the mood, cold and bitter as a winter day,
My love is dead and bruised
Did you ever wonder when or why it all went away?
Did it blindside you or did you see it coming?
Did you sleep at night as bad as my stomach would ache?
Did you stand up straight when my knees were buckling?
You say you donâ€™t, well I just bet you did

If I canâ€™t be respected,
I wonâ€™t be beaten like a fucking dog
I renounce my faith in all of you, so Iâ€™m gonna build a bigger god,
If Iâ€™m taken for granted,
I wonâ€™t be treated like a fucking dog
Now that Iâ€™ve had enough of all of you, Iâ€™m gonna build a bigger god

I raise the walls, deception lights my fuse,
I tear the limbs off your little dolls,
Just like me broken from all of you,
Did you ever shed a tear when they were digging my grave,
Did it make you smile when I was left with nothing?
Did you take a breath when the wind was knocked out of me?
Did it make you feel good when you saw me falling?
You say you donâ€™t, well Iâ€™ll just bet you did

If I canâ€™t be respected,
I wonâ€™t be beaten like a fucking dog
I renounce my faith in all of you, so Iâ€™m gonna build a bigger god,
If Iâ€™m taken for granted,
I wonâ€™t be treated like a fucking dog
Now that Iâ€™ve had enough of all of you, Iâ€™m gonna build a bigger god

Do you know, or even understand, what it could have been?
Never a break, never a chance, Iâ€™ll never do it again
Never, never again

You say you donâ€™t, you say you donâ€™t
You say you donâ€™t, but I can bet you did

If I canâ€™t be respected,
I wonâ€™t be beaten like a fucking dog

I renounce my faith in all of you, so Iâ€™m gonna build a bigger god,
If Iâ€™m taken for granted,
I wonâ€™t be treated like a fucking dog
Now that Iâ€™ve had enough of all of you, Iâ€™m gonna build a bigger god
A bigger god
A bigger god
A bigger god
A bigger god
