

# Shades Of Michaelangelo

**Belinda Carlisle**

A still-life portrait  
A view from my window  
Touched by innocence Now fading away  
Into a quiet storm  
Of the tears of the angels Falling around me  
As I'm watching the days  
I frame colors of passion Against a fading sky  
With a stroke of love  
On the canvas of my soul I'm painting a perfect world  
With shades of Michael Angelo  
With each promise made In every heart that knows  
We can live in a perfect world  
in shades of Michael Angelo A seed of hope  
Grows in my garden  
I feel the earth  
Beneath my feet Running through my mind  
Are dreams of a future  
Where all of this world Works in harmony  
I frame colors of passion  
Against a fading sky I hear songs of children  
Echo in the sky  
I hear songs of children  
A tomorrow so bright
