

# James

## Nicolas Folmer

I knew it'd turn out like this  
I'm keeping one foot on the train  
And I must be a masochist  
To ever take up with you, James  
It sounds familiar  
That tone in your voice  
You're gonna quit, James  
You leave me no choice  
Oh, James  
Lettin' me down again, James  
Well, it wasn't so long ago  
I saw love in your eyes  
And I think I should've known  
But I'm feeling somewhat surprised  
You think there's someone  
Better for you  
You think I'm too young  
To see this thing through  
Oh, James  
Lettin' me down again, James  
(Ooh, let me down)  
Down, down  
(Ooh, let me down)  
Let me down, down, down, down  
(Ooh, let me down)  
Down, down  
(Ooh, let me down)  
Let me down, down, down, down  
(Ooh, let me down)  
Down  
I knew it'd turn out like this  
I'm keeping one foot out the door  
And I don't think I should trust  
That kinda love anymore  
And now I realize  
I had it all wrong  
I'll only take this  
Trip for so long  
Oh James

Lettin' me down again, James  
Guess it's goodbye again, James  
Lettin' me down again  
Lettin' me down again, James
