# Beneath the Tree

## ArHai

In this garden full of good
Lies a garden full of evil
Awaits strange, bizarre
Unusual peopleHere is where
Tripping and nobody cares
Here is where
The setting sun is never fearedIt goes on and on and on
Oh, it never ends
It goes on and on and on
Welcome my friendsBeneath the tree of heaven
Lies the horror of the clay
Beneath the tree of heaven
Come as you please, do as you may
Beneath the tree of heavenCrooked minds like a crooked tree
Never caring where one's branches
Have been or where they're gonna bePeople so seedy
People so greedy
In the end
Ain't we all a little needy?It goes on and on and on
Oh, it never ends
It goes on and on and on
Welcome my friendsBeneath the tree of heaven
Lies the horror of the clay
Beneath the tree of heaveTree of heaven
Lies the horror of the clay
Beneath the tree of heaven
Come as you please, do as you may
Beneath the tree of heaven
