So Brand New

Fyfe Dangerfield

Fly yellow moon
You put the smile back on my face
Fly yellow moon
Fare you wellFly yellow moon
You give this charmless world some grace
And I don't know how you
Do all of these things you doThey're so brand new
So brand newOnce I was livid
Once I was in hate
Once I was Lear on the rocksThe coast collapses
Autumn leaves without a trace
We're rolling down a hill
Yet our bodies lie here stillThey're so brand new
So brand newThe coast collapses
Autumn leaves without a trace
And all I want to do
Is run circles around youYou're so brand new
So brand new
So brand new
So brand new
So brand newSo brand new
So brand new
So brand new
So brand new
