

Raincoat

Kelly Sweet

Raindrops bang like rocks
On my windowpane
I thought they'd never stop
Never see the sun again

And I've been sleeping in
For way too long
Mm, wake up, enough's enough
Yeah, those days are gone

I'm gonna throw out my raincoat
Mm, I hope it's all right
Gonna go find me a rainbow
And hang it up in the sky
Blues pass me by

You left me a wreck
Just like a rusty trombone
But some things, they just sting
Enough to move you along, hey

I'm gonna throw out my raincoat
Mmm, I hope it's all right
Gonna go find me a rainbow
And hang it up in the sky
Blues pass me by
Gonna go find me a rainbow
And hang it up in the sky
Blues, oh

I'm not gonna wait around
I'm throwin' this old thing out

Mm, oh

I'm gonna throw out my raincoat
Mm, I hope it's all right
Gonna go find me a rainbow
And hang it up in the sky

Blues, blues, blues pass me by

Mm, I don't need those blues hanging around
