Synthetic Love

Spike Hughes

I want to hurt you, I donâ€™t deserve you
Unlace your body, I want total control
Like maggots from the host, You drain, I decompose
Swallow your faith, submit and fuck until we overdose

We said this was â€œthe last timeâ€•, over and over again
(Blind eyes) The closer I get is the further I feel
(Hands tied) And Iâ€™m losing my grip on remembering whatâ€™s real
'Cause our synthetic love is all that we know
My head is a mess, And itâ€™s going to explode

I want to watch you, expose and drill through
Inject the poison, I have lost all control
Crawling inside you, Fruit of the flesh is bruised
Swallow the pain, relive and fuck until we feel like new

We said this was â€œthe last timeâ€•, over and over again
(Blind eyes) The closer I get is the further I feel
(Hands tied) And Iâ€™m losing my grip on remembering whatâ€™s real
'Cause our synthetic love is all that we know
My head is a mess, And itâ€™s going to explode

We lost our heads and minds explode
I donâ€™t want trust in losing control
Iâ€™m just a slave to how this feels
But baby, please donâ€™t believe this is â€œrealâ€•
I wrap my hands around your throat
Bury your face and remove all your clothes
Weâ€™re both just slaves that canâ€™t refuse
And everything that we have loved in the end we will lose

We said this was â€œthe last timeâ€•, over and over again
(Blind eyes) The closer I get is the further I feel
(Hands tied) And Iâ€™m losing my grip on remembering whatâ€™s real
'Cause our synthetic love is all that we know
My head is a mess, And itâ€™s going to explode
