

Pullin'

Aretha Franklin

Everyone knew but me that soon you would be callin' it off and gone, oh
Everyone pitied me (oh), had so much sympathy (yeah)
They didn't think I'd be strong Oh, I'm, oh, I'm pullin' on (pullin') yeah (movin') I'm movin' on
(Aah-aah, pullin') pullin' on (movin') pullin' on in If I'd meant to you what you lead me to believin', baby, you
wouldn't be gone, no
Turned your back on me (freezin'), as cold as you can be (yeah)
I ain't been sittin' here all alone Baby, 'cause I'm, hey, I'm pullin' on (pullin') yeah (movin')
You know, I'm movin'
(Aah-aah I'm pullin') oh, yes I am (movin') movin' on
(Pullin', pullin', pullin', pullin') (I'm pullin' harder and harder
I'm movin' higher and higher
I'm pullin' harder and harder) Oh, (pullin') I'm pullin' on (movin') movin' on in
(Aah, pullin') pullin' on (movin') movin' So glad I'm free, found a man for me
Let me tell you while you're movin' on
Instead of beggin' you, I should have helped you pack your bags and move along oh, 'cause (Aah-aah) oh,
'cause I'm (pullin') pullin' on (movin') movin' on in
(Aah-aah, pullin') oh, oh, no (movin') (Movin' higher, pullin' harder)
(Movin') higher (higher) movin' (pullin') pullin' (harder) harder
(Movin') pullin' (higher) higher (pullin') pullin' (harder) harder
(Movin') pullin' (higher) higher (pullin') movin' (harder) harder
(Movin') pullin' (higher) higher (pullin') movin' (harder) harder
(Movin') movin' (higher) higher (pullin') pullin' (harder) harder
(Movin') yeah (higher) pullin' (pullin') harder (harder) and higher
(Movin') harder (higher) higher (movin') pullin' (harder) movin'
(Movin') pullin' (higher) harder (pullin') pullin' (harder) higher
(Movin') movin' (higher) higher (pullin') higher (harder) higher, higher, yeah
(Pullin') yeah (harder) yeah (movin') go high (higher) yeah, go 'way high
(Higher) (pullin') movin' (harder) harder (movin') movin' (higher) oh
(Pullin') movin' high (movin') movin', hey, high (pullin') pullin' (high)
High (move) high (high) high (move) well?
