

# Hi-Yo Silver!

## Roy Rogers

Hi-Yo Silver! Away!  
Horses come and horses go  
But there's one that you all know  
People greet him with acclaim  
Silver is his name Gimme the reins  
There's pep in the veins  
Onward, Westward-ho!  
Hi-Yo Silver! Hi-Yo  
Over the trail  
Hill or dale  
Swift as wind will go  
Hi-Yo Silver! Hi-Yo  
Giddyap, giddyap, giddyap, giddyap  
We must prevent that crime  
Giddyap, giddyap, giddyap, giddyap  
We'll get there in the nick of time  
Under the sky, we will fly  
a'huntin' we will go  
Hi-Yo Silver! Hi-Yo Wee-ooo (yodeling)  
Wee-ooo (yodeling) Cantor along and sing a song  
A'courtin' we will go  
Hi-Yo Silver! Hi-Yo You never fail  
So burn up the trail  
To her bungalow  
Hi-Yo Silver! Hi-Yo  
Giddyap, giddyap, giddyap, giddyap  
I'll punch the villain well  
Giddyap, giddyap, giddyap, giddyap  
'cause the ornary cuss done wrong my Nell Silver, old boy, I'm full of joy  
'cause she ain't said no  
Hi-Yo Silver! Hi-Yo  
[Hi-Yo Silver! Hi-Yo Silver! Hi-Yo Silver!] Kick up yer heels  
Automobiles can't get where we go  
Hi-Yo Silver! Hi-Yo You're a good steed  
So gimme some speed  
Come on, don't be slow  
Hi-Yo Silver! Hi-Yo Giddyap, giddyap, giddyap, giddyap  
We'll stop to pick up Tonto  
Giddyap, giddyap, giddyap, giddyap

We're sure to get these bandits, prontoWho said thrillers? Get those killers  
The mortgage, we must pay
