

i dont mind

Lloyd

Hey, hey, it's goin' out to all the ladies I know
You know what time it is when I come to the door, man, ya man
Girl, I came to see you in this club tonight
Tonight, tonight, to
Girl, I know you 'bout to show me some love tonight
Tonight, tonight, tonight
Well, you know how I do it and that's why you're smilin' babe
I like how you movin' the way that you grind babe
Well, girl lift it up show me that you mean it
Work it all around I got what'chu need
Girl, I know just what'chu want it's about to be a storm
Baby watch me make it rain, watch me make it rain
I got a pocket full of Dough and I came to blow it all
Baby, money ain't a thang, baby money ain't a thang
I see you on dat pole and I don't mind spending
Oh, girl you 'bout it for shore, oh baby, I don't mind spendin'
And I'ma give you some more 'cause I don't mind spendin'
It ain't tricky enough to got it so watch it, watch it try it
Oh, tonight I'm gonna let you feel something you ain't
felt before
Before, before, hey
Forget the ones and the tens girl at night I'm throwin' doves
And more, and more, and more, and more
Now I see that you rovin' in every way
Girl I'm so focused, I ain't here to play
Now where is the way 'Tris' to win my drinks
So I could bowl little something, sipple little somethin'
And maybe trick a little somethin'
Hey, hey, girl, I know just what'chu want it's about to be a storm
Baby watch me make it rain, watch me make it rain
I got a pocket full of Dow and I came to blow it all
Baby, money ain't a thang, ha, baby money ain't a thang
I see you on dat pole and I don't mind spending
Oh, girl you 'bout it for shore, oh baby, I don't mind spendin'
And I'ma give you some more 'cause I don't mind spendin'
It ain't tricky enough to got it so watch it, watch it try it
Let's go somewhere private I'm more want tonight
And I'm lovin' what'chu doin' to me
Bring your friends cause baby I'm gonna spend
More then you'll ever see, see
It's getting crazy 'cause you're callin' me baby
And I might just believe it tonight
Ooh, girl run it back I still gotta stack you're my reality
I got what'chu need
Girl, I know just what'chu want it's about to be a storm, oh no
Baby, watch me make it rain, watch me make it rain
I got a pocket full of Dough and I came to blow it all
Baby, money ain't a thang, ah, baby money ain't a thang
I see you on dat pole 'cause I don't mind spending
Oh, girl you 'bout it for shore, oh baby, I don't mind spendin'
And I'ma give you some more 'cause baby, I don't mind spendin'

It ain't tricky enough to got it so watch it, watch it try it, oh
