Caravan

Van Morrison

And the caravan is on it's way
I can hear the merry gypsies play
Mama, mama look at Emma Rose
She's playin' with the radioLa, la, la, la, la
La, la, la
La, la, la, la, la
La, la, laAnd the caravan has all my friends
It will stay with me until the end
Gypsy Robin and sweet Emma Rose
Tell me everything I need to knowLa, la, la, la, la
La, la, la
La, la, la, la, la
La, la, laTurn up your radio and let me hear the song
Switch on your electric light
Then we can get down to what is really wrong
I long to hold you tight so I can feel you
Sweet lady of the night I shall reveal youIf you would turn it up, turn it up, little bit higher, radio
Turn it up, turn it up, so you know, radioLa, la, la, la, la
La, la, la
La, la, la, la, la
La, la, laAnd the caravan is painted red and white
That means everybody's staying overnight
There's a barefoot gypsy player 'round the campfire singin' and playin'
And a woman tells us of her waysLa, la, la, la, la
La, la, la
La, la, la, la, la
La, la, laTurn up radio and let me hear, song
Switch on your electric light
Then we get down to what is really wrong
I long just to hold you tight so baby, I can feel you
Sweet lady of the night, I shall reveal youIf you would turn it up, turn it up, little bit higher, radio
Turn it up, that's enough, so you know, it's got soul
Radio, radio, turn it upLa, la, la, la, la
La, la, la
La, la, la, la, la
La, la, laLa, la, la, la, la
La, la, la
La, la, la, la, la
La, la, laLa, la, la, la, la

La, la, la
La, la, la, la, la
La, la, la
...
