

Tidal Wave

Thee Oh Sees

One, two, three, four. Please no more,
people say.

Wash the love,
with a tidal wave.

scream.*abruptly echoed chorus "whoop"*Please no more,
tidal wave,

born to learn,
born to live,

scream.*abruptly echoed chorus "whoop"*Please no more,
mon cheri

Tidal wave,
wash away.

*scream*Ugh, baby baby, baby, oh.
