## The White Stripes

Conquest

He was out to make a conquest  
Didn't care what harm was done  
Just as long as he won the prize  
Conquest  
She was just another conquest  
Didn't care whose heart was broke  
Love to him was a joke

'Til he looked into her eyes  
And then in the strange way things happen

Their roles were reversed from that day

The hunted became the huntress

The hunter became the prey  
Conquest

Now you know who made the conquest

She, with all her female guile

Led him helpless down the aisle

She had finally made a conquest  
And then in the strange way things happen

Their roles were reversed from that day

The hunted became the huntress

The hunter became the prey  
Conquest

Now you know who made the conquest

She, with all her female guile

Led him helpless down the aisle

She had finally made a conquest  
Conquest
