

NRG (feat. Novelist)

Chase & Status

I'm in a rave (jump)
Touch mic and make the place (jump)
When you hear the bass (jump)
Mandem (jump), gyal dem (jump)
When I'm inside (jump)
NOV, I bring vibe (jump)
Tell a man take time (jump)
Mandem (jump), NOV said jump
NOV said jump
NOV said
Energy in a dance'll make the gyal dem advance
And mandem wanna glance
Wanna act hard but you won't get a chance
So take a chance, blud, know your stance
And my lyrical daps from LDN, not France
But I've got mandem in France
NRG in a room, I enhance
When I spit bars, the people dem jump
I bring vibe to make you get hype
I'm a lyrical guy, shower down mic inside
Might hear me inside your ride
NRG in a room, I'll maximise
Touch mic and make you conceptualise
Why? NOV is the guy
Make the gyal dem jump and whine
I'll blow your mind, jump when I'm inside
I'm in a rave (jump)
Touch mic and make the place (jump)
When you hear the bass (jump)
Mandem (jump), gyal dem (jump)
When I'm inside (jump)
NOV, I bring vibe (jump)
Tell a man take time (jump)
Mandem (jump), NOV said
