

# One Night Stand

## Enrique Iglesias

Let me tell you, Jenny's getting dressed up in my room  
Puts on her skirt and she's looking good  
Six A.M. and she's leaving soon  
Says, "What a crazy night, I had a real good time"  
But her kiss tells me it's goodbye  
Just like nothing happened last night  
But if I had one chance, I'd do it all over again  
One night stand, I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more, no, no  
Now, I'm left up in my lonely room  
She left her underwear and her perfume  
I never thought that it could be this good  
And I still feel her lips upon my fingertips  
I'm trying hard not to feel rejected  
May be the phone line's disconnected  
But if I had one chance, I'd do it all over again, I know it  
One night stand, I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure  
Baby, like a blind man I rushed in  
Now do I have the right to ask you  
Will you be coming back again?  
One night stand, I don't think she's coming back  
One night stand, I don't think she's coming back  
One night stand, I don't think she's coming back  
One night stand, I don't think she's coming back for more  
She was only looking  
One night stand, I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure  
I guess it was a one night stand, one night stand  
I guess it was a one night stand, one night stand

I guess it was a one night stand, one night stand  
I guess it was a one night stand, one night stand  
I know it, yeah
