Calling

L'Ã‚me Immortelle

What has happened to you?
What has changed you in this way?
I cannot get through to you
Doesn't matter what I say

What happened to the child in you?
To the darkness you disbanded?
I try to listen to your voice
But cannot understand it

Can you hear me calling?
Are you listening to me?
Can you see me falling?
Or are you too blind to see?

Have you spoken to me?
Have I felt a breath of you?
Did I catch a glimpse of light
Of the person that I knew

Just to understand the reasons
I would go, where you've gone to
But please give me just one sign
So I know it's still you
