

# Last of Days

## A Fine Frenzy

Something's causing fear to fly  
Rising like a dark night in silence  
Traveling slow with broken boats  
Heading for the sky and I'm an island I watched you disappear into the clouds  
Swept away into another town The world carries on without you  
But nothing remains the same  
I'll be lost without you  
Until the last of days The sun is in the east  
Rising for the beasts and the beauties  
I wish that I could tear it down  
Plant it in the ground to warm your face And I built myself a castle on the beach  
Watching as it slid into the sea The world carries on without you  
But nothing remains the same  
I'll be lost without you  
Until the last of days  
Until the last of days Through the walls and harvest moons  
I will fight for you The world carries on without you  
But nothing remains the same  
I'll be lost without you  
Until the last of days  
Until the last of days
