

# Shirley (Sound Of The Underground)

## Kovacs

All that I had is gone  
And the sad songs know how I feel  
Your kind of love was never enough  
To brighten the melodiesAll that I have is gone  
Packed my bags and just disappeared  
And I search for the street  
Where we used to meet  
To find you again my dearThere's somebody  
Who'll be there as I break  
Be the blood in my veins as I sing  
When I hear the sound  
Of the underground  
It will bring you back to meAll that I had is here  
I would sing and there you would be  
In the heat of the night,  
There you left my side  
Now london has started to freezeAll that I want is here  
I will drink and there you will be  
There's a space in a bar  
And a brand new star  
If I can standon my own two feetThere's somebody  
Who'll be there as I break  
Be the blood in my veins as I sing  
When I hear the sound  
Of the underground  
It will bring you back to meI'll smoke a cigarette  
And toast the dead  
All I can see is your fuckery  
Exactly like you saidThere's somebody  
Who'll be there as I break  
Be the blood in my veins as I sing  
When I hear the sound  
Of the underground  
It will bring you back to me
